THE PRIME MINISTER

I well remember my visit to America in 1967, during which I travelled around the country extensively - from Washington, Miami, Atlanta and Houston across to San Francisco, Los Angeles and back, via Omaha and Chicago, to Boston and New York.

The whole tour was immensely valuable. I saw and felt the vitality and generosity of the American way of life and it has left an indelible impression on my mind. *Forevermore I shall be a true friend of the United States.*

I should like to say thank you to all those who participated in this wonderful programme.
